RECLAIM Vision

“ a one-stop shop to help achieve real change on the ground”

- Focusing on [‘forgotten towns and cities’](#) - those with severe pockets of deprivation and smaller cities which typically lack funding or political visibility - and [GBGI](#) (Green-Blue-Grey Infrastructure) in practice.
- RECLAIM brings together a truly [multi-disciplinary network of academics](#), and [diverse stakeholders](#) to address [societal challenges](#) in urban areas and beyond.
